

Lutea™ Rigid Core Flooring

100% Waterproof Planks

Lutea Rigid Core Flooring is perfect for high moisture areas such as kitchens, bathrooms and basements

Indent Resistant

A strong core makes Lutea resistant to denting from dropped items.

Enhanced Stability

Enhanced dimensional stability is ideal for three season rooms or for use in direct sunlight.

Ultimate in Scratch & Stain Resistance

Resists scratches, stains and scuffs.

Lutea™

Visually Stunning & Crafted To Last

Each day the lotus flower blooms from the murky, watery depths of its home. The ethereal beauty transcends its humble beginnings and is known as a symbol of strength and resilience.

Our Lutea collection is inspired by the lotus flower's symbolism and natural resistance to water and damage. Sturdy planks are completely waterproof* and the designs are colors and textures found in nature.
