INSTALLATION SPECIFICATIONS

- Product Shipping Weight (approx.) – 83 Lbs.
- Voltage Rating – 120V / 60 Hz / 15 Amps (maximum 20 Amps if connected with disposer)
- Connected Load (kW Rating) @ 120 Volts = 1.44kW (For use on adequately wired 120V, dedicated circuit having 2-wire service with a separate ground wire. Appliance must be grounded for safe operation.)
- Amps @ 120V = 10 Amps
- Always consult local and national electric & plumbing codes. Meets requirements of ASSE 1006 — integral air gap on supply. Dishwasher enclosure requires that adjacent cabinets be square and plumb. Unit must be fully enclosed on top, sides and back; and not support any part of enclosure.
- For A.D.A. installation, (32 1/2") beneath 34"- high countertop may be accomplished by adjusting toe-kick and leveling legs.
- When installing unit adjacent to wall, cabinet or other obstruction that extends beyond front edge of unit, allow 2" minimum clearance between opened door and obstruction.
- Do not install unit beneath cooktop, damage will occur.
- Make sure location has required drain, water and electrical outlets to make proper connections.
- Air gap required if drain is connected to waste tee or disposer lower than 18" above floor. If no air gap required, minimum 32"-high drain loop must be used. Total drain hose length must not exceed 10' to drain outlet.
- Electrical and water supplies should enter enclosure on floor, or through rear or cabinet side walls, as shown in designated shaded area. Hot water line may pass through same hole as electrical cable and drain hose; or through additional 1-1/2" dia. hole designated to accommodate line.
- Water connection located on left side of dishwasher. Install hot water inlet line using no less than 3/8" O.D. copper and extend forward at least 18" from rear wall with hand shut-off valve accessible beneath sink.
- Water Pressure – Hot water line to dishwasher must provide between 20 and 120 pounds per square inch (psi).

Note: For planning purposes only. Always consult local and national electric, gas and plumbing codes.
