DENON®

DENON HOME 150 NV

Denon Home 150 NV Compact Smart Speaker with HEOS® Built-In

Denon Home 150 NV plays all your music wirelessly with vivid, room-filling sound you expect from Denon. Group other products with HEOS Built-in, such as AV receivers, sound bars, and speakers to fill your whole home with music. Enjoy your favorite online streaming services like Spotify, Amazon Music HD, Pandora, TIDAL, and more, or play music stored locally on your phone or network.

HIGHLIGHTS	YOUR BENEFITS
Denon Sound Quality	The Denon Home 150 NV delivers the same sound quality as the Denon Home 150, but without microphones and voice assistants for those who don't need them.
Your Favorite Music, at Your Command	Stream your favorite music from Spotify, Apple Music, Amazon Music HD, Pandora, TIDAL, TuneIn, iHeartRadio (US), Sirius XM (US), Deezer, and more via Wi-Fi, AirPlay 2, and Bluetooth. *Availability varies by region.
Hi-Res Audio, Without the Hi-Fi System	Enjoy music with superior detail and precision. With HEOS Built-in, the Denon Home 150 NV supports ALAC, FLAC, and WAV files up to 192kHz/24-bit, as well as DSD 2.8MHz and 5.6MHz tracks.
3 Quick Selects to Store Your Favorite Stations	With 3 quick select buttons, easily store your favorite internet radio stations to enjoy when you want, without the hassle of searching.
Apple AirPlay 2	Use AirPlay 2 to stream Apple Music wirelessly to the Denon Home 150 NV, or group with other AirPlay 2 compatible speakers to fill your home with music.
HEOS Built-in Multi-Room Experience	With HEOS Built-in, play the same song in every room or select a different song for each connected room — the choice is yours. With additional Denon Home speakers, sound bars, network players, or AV receivers with HEOS Built-in, easily play all your music in multiple rooms from your favorite music service or source.
Simple Setup for Quick Enjoyment	Use the HEOS app to effortlessly set up the Denon Home 150 NV on your home Wi-Fi network.
Connect USB for More Music at Your Fingertips	Play music from your library with the additional USB port. Connect to enjoy MP3, WAV, AAC and WMA files, Hi-Res files like FLAC and ALAC (192kHz/24-bit), as well as DSD 2.8MHz and 5.6MHz tracks.
Stereo Pairing Capable	Listen in true stereo. Using the HEOS app, group two Denon Home 150 NV speakers and designate them as a stereo pair, such that one plays the left channel and the other plays the right channel. Denon Home 150 NV speakers work as left and right speakers to provide a Hi-Fi quality system in a much smaller footprint.

SINCE 1910 | DEFINING AUDIO EXCELLENCE

HEOS BUILT-IN · Bluetooth® · Works with Apple AirPlay

HEOS Built-In
Play the same song in every room or select a different song for each connected room via a variety of streaming sources. Add Denon Home speakers to more rooms and control it all with the HEOS app.

Wi-Fi
Use Wi-Fi to easily connect and control your HEOS-enabled devices. Enjoy high quality music streaming and multi-room playback over your home network via the HEOS app with Spotify, Pandora and more.

Bluetooth
Connect and play music directly from your smartphone, tablet or other compatible device.
