Collection: The Vienna Table is the perfect addition

Features: to your living area. The end table has a rounded dark brown, wooden table top and black, iron table base. The natural, wood grain detailing on the table top will give you a warm inviting vibe. Tying in the black, iron table base with cross stretchers provides amazing support in securing the table top. The simplicity of this piece does not require much accessorizing however, arranging this table next to a love seat will feel comfortable. For a complete living room statement, add the marble and wooden coffee table for affect.
