

IAEBTNQ102B

Truly Wireless Earbuds with Active Noise Canceling and Wireless Charging Case

Block out all the distractions and listen to your favorite music or podcasts via Bluetooth with superior sound. Experience active noise cancellation, quiet the background noise and drift away into musical bliss. When you want to be connected to the ones around you, turn on transparency mode and stay engaged! The wireless charging technology of the earbud case allows you to simply place the case down on a wireless charger and power up your battery.
