DACOR INNOVATION

- **1948** The Stananthy Corp. is founded in Los Angeles.
- **1948** Stananthy Corp. debuts world's first self-contained ventilation hood for the residential market.
- **1957** Stananthy Corp. unveils world's first indoor barbecue.
- **1965** Distinctive Appliances Incorporated (Dacor) is born.
- **1975** Dacor revolutionizes the compact kitchen with the six-burner modular cooking system.
- **1977** Dacor releases a full-sized, self-cleaning, drop-in modular range.
- **1980** Dacor produces company's first microwave oven.
- **1980** Dacor develops the ventilation hood shelf.
- **1981** Dacor releases a modular cooking system with overhead or downdraft ventilation.
- **1982** Dacor innovates full-size, self-cleaning, drop-in and free-standing modular ranges.
- **1984** Dacor develops the solid burner module.
- **1985** Dacor produces four and six burner gas cooktops with continuous platform grate design and overhead or downdraft ventilation.
- **1987** Dacor creates an entirely new category, bringing the professional kitchen into the home with the extra large capacity, 30" Pure Convection self-cleaning wall oven.
- **1989** Dacor launches five-burner, sealed-gas, glass cooktop.
- **1989** Dacor launches monochromatic styling Ceran® glass cooktop module with halogen elements.
- **1990** Dacor develops five-burner Ceran® cooktop with halogen elements.

- **1990** Dacor innovates raised ventilation downdraft system with electronic control.
- **1991** Dacor introduces 30" self cleaning double wall oven with pure convection.
- **1993** Dacor launches 27" and 30" double electric wall oven with two larger Pure Convection cells.
- **1993** Dacor develops the dual-fuel gas and electric cooktop.
- **1994** Dacor unveils 27" Warming Oven.
- **1995** Dacor launches four-sided beveled glass electric cooktop with "touch controls."
- **1995** Dacor introduces the 14" Dacor Great grate.
- **1995** Dacor sets the standard for luxury with the Dual Fuel Range.
- **1996** Dacor releases the all-gas convection 30" range with self-cleaning oven and 48" spill-resistant cooktop.
- **1997** Dacor launches the world's first infrared ceramic gas broiler inside a pure convection electric oven.
- **1999** Dacor introduces the Butterfly Bake Element.
- **2001** Dacor releases the first-ever outdoor grill with halogen lights and the first-ever fully integrated warming oven.
- **2001** Dacor introduces first-ever fully integrated warming oven.
- **2002** Dacor releases the Epicure 52" Outdoor Grill.
- **2003** Dacor launches the largest capacity dishwasher in the industry.
- **2005** Dacor launches the Wall Oven Discovery Controller and S G Cookware Collection.
- **2013** Dacor creates the connected kitchen, releasing the first-ever "smart" oven with an integrated wireless tablet.
- **2017** Dacor launches the Modernist Collection, heralding a new era of next-generation creative tools.

LIFE LIVES IN THE KITCHEN.

At the leading edge of innovation and style, Dacor appliances are the beautiful and beyond functional centerpieces of today's luxury home. With a steadfast commitment to both technology and craftsmanship, Dacor stands for one thing: reimagining the 21st century kitchen as the foremost stage for bold expression.

Technical achievement and a taste for tradition come together in the reimagined Heritage Collection from Dacor.

ENTERTAIN THE IDEA OF MORE CRAFTSMANSHIP

A beautiful presentation. A steadfast attention to detail. An artisan's touch. The same principles that drive the 21st century entertainer are at the core of every exquisite piece in the reimagined Heritage Collection.

ENTERTAIN THE IDEA OF MORE THOUGHTFUL INNOVATIONS

The best technology elevates the senses that makes us human. With more vision and more power and versatility at a single touch, Heritage Collection appliances are a perfect pairing of artistry and innovation.

ENTERTAIN THE IDEA OF MORE PROFESSIONAL PERFORMANCE

The Heritage Collection lets you bring more of those you love together. With an extra-large capacity oven, extra-large capacity refrigerator, and extra-large burners and grates, this collection is designed for one thing: more.

DACORMATCH COLOR SYSTEM

With the capability to perfectly match any color swatch, DacorMatch Color System allows you to create a custom Heritage Range or Wall Oven from an infinite array of colors.

No matter your inspiration—from true black to lilac to millennial pink—

DacorMatch Color System always promises a flawless finish.

DUAL-FUEL RANGES

Time together is priceless. With the power and surface space to welcome even the largest parties, the extra-large capacity Heritage Dual-Fuel Range pairs new technologies like intuitive touch control and a sharp LED display with eight cubic feet of oven space. The Heritage Dual-Fuel Range has every feature the impassioned entertainer requires to turn a memorable meal into a truly unforgettable night.

48" DUAL-FUEL RANGE - HDPR48S

Also available in Epicure.

With their signature white glow, Illumina Burner knobs pair easy control of each burner with a modern luminosity that always looks cool even at ultra-high temperatures.

a. 14" WIDE GRATES | 14" wide grates allows you to use all burners at the same time without clutter. *48" DUAL-FUEL PRO RANGE SHOWN

b. DUAL-STACKED BURNERS | Dual-Stacked burners move the flame away from the pan to the lower portholes to maintain a lower temperature and a gentle simmer.

c. BRASS BURNERS | With increased durability and strength against wear and tear, brass burners provide even heat distribution and better heat retention, allowing for a longer lasting lifespan. (All brass burner sets come with a complementary set of black burner caps)

d. 4-PART PURE CONVECTION SYSTEM | Feel confident in cooking multiple items without fear of them tasting like one another. A 4-part pure convection system helps reduce cooking time, provide even heat distribution for superior uniformity and eliminates flavor transfer.

INDUCTION RANGES

The future of cooking control, power, and energy efficiency. Touch-Sensitive electronic controls serve your cooking needs, from melting chocolate to rapidly boiling water. Touch and slide your finger to adjust and select from eight power levels, including Simmer and Power Boost. The expandable bridge allows for combining two cooking zones to accommodate larger cookware. Step away with peace of mind—simply press the pause button and power to all cooking zones is immediately suspended.

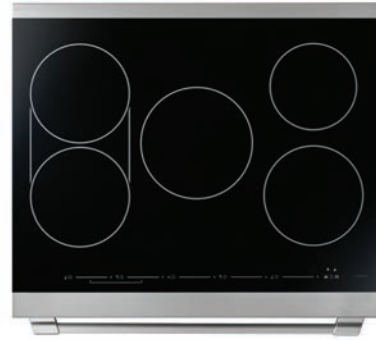

36" INDUCTION RANGE

HIPR36S

Powerful and precise, our Induction Cooktops feature a powerful setting for every need, from warming and melting chocolate to stir-frying or bringing water to a rapid boil.

30" INDUCTION RANGE - HIPR30S

Heritage Collection WARRANTY

REFRIGERATORS AND FREEZERS

A POWERFUL COMPRESSOR UNLIKE ANY OTHER.

The digital compressor that powers every Dacor refrigerator is a testament to endurance. Built to last, we stand behind it with our compressor warranty.

THE ONLY 15-YEAR COMPRESSOR WARRANTY IN THE INDUSTRY.

And we support all of our products with a comprehensive 60-day cosmetic warranty, 6-year sealed system warranty on parts and labor, and a 12-year sealed system warranty on parts only. Visit dacor.com/warranty to learn more.

ENDURING BY DESIGN.

This philosophy doesn't just apply to every Dacor appliance we produce. It applies to our best-in-class warranty, too. Experience the best warranty in the industry with an additional year of complimentary coverage.

RECEIVE 3 YEARS OF COMPLIMENTARY WARRANTY
on all Dacor products when you sign up

- Register your appliance for warranty protection online at warranty.dacor.com
- Enter code *3FF-W* in the Promotion Code field and your warranty protection period will automatically extend to three (3) years.

For more information, or to register your product, contact our support team at 833 35 ELITE (35483) or visit, warranty.dacor.com

DACOR

14425 Clark Avenue, City of Industry, CA 91745 | 626 799 1000 | 800 793 0093 | dacor.com

All parts and labor costs from date of purchase. Purchase date must be during the promotional period. Product warranty must be registered online by the registration deadline. Visit warranty.dacor.com for full details.
