**Product and Installation Details | ANSI A108.02**  
Section 4.3.8.2 - For running bond/brick jointing patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.

 Sustainability Attributes

- Red List Free
- Health Product Declaration (HPD) provided upon request
- Product Packaging is 100% recyclable
- VOC Free

\*For more information visit [www.emser.com](http://www.emser.com). Always consult a professional for proper usage and installation.

\*\*The 8" x 12" size is best installed with either a vertical or horizontal stack pattern, an offset installation is not recommended for this product. All 8" x 12" colors are Class III Abrasion Resistance.
