

 TREASURE GARDEN

# **BASE-AKZ**

Up to 200 lbs.

# **Cantilever Base**

*Assembly and Operation Guide*

Thank you for your purchase of Treasure Garden's AKZ Cantilever Base.

Please remove all contents from the package, inspect and review parts list.

**CAUTION:** To reduce personal injury and damage to your base or umbrella, read and follow this instruction manual. *Save information for future reference.*

## BASE-AKZ PART LIST

Part	Description	Qty.
① 	Base Shell	1
② 	Base Lid	1
③ 	Steel Wrench	1
④ 	Inverted Base Stem	1
⑤ 	Inverted Plate	1
⑥ 	5mm Hexagon Wrench	1
⑦ 	Plate Bolts	4
⑧ 	Playground Sand (not included)	200 lbs.

### REQUIRED FOR ASSEMBLY:

- 200 lbs. playground sand (not included).

**NOTE:** Do not put or allow sand into the center of the base shell.

**IMPORTANT:** Prior to assembly it is important to decide on the location of the AKZ umbrella.

- Allow ample height to avoid damage to your umbrella during assembly and usage.
- Choose a location that is level and sturdy.
- Avoid any sloping or soft ground cover.
- Consider a location that will maximize the umbrella's rotating swivel function. Placing the AKZ between two entertaining areas is ideal.

**NOTE:** Some parts may be included in the styrofoam packaging. DO NOT discard any packaging or box until assembly is complete.

## Base Assembly

Select area to set AKZ base and place in desired location. **NOTE:** Moving the umbrella will be difficult once fully assembled. Remove inverted plate from inverted base stem (Fig. 1).

Remove the inverted base stem by using the steel wrench (provided) turning counter-clockwise  (Fig. 2), now remove base lid from base shell (Fig. 3). Return inverted base stem to base shell, to keep sand out of base stem channels. (Fig. 4)

**IMPORTANT:** Do not allow sand to spill inside the base stem channels, as it will impede further installation. Now, fill each section of the base shell with dry playground sand (Fig. 5). Remove inverted base stem (Fig. 6) from base shell. Place base lid back onto base shell and re-install the inverted base stem (Fig. 7). **IMPORTANT: Carefully, as you tighten the inverted base stem, you will notice clicking/ratcheting sound. Please make sure it is between CLICKS. Do not over tighten inverted base stem or parts may be damaged.** Re-install the inverted plate by tightening with 4 plate bolts with supplied 5mm hexagon wrench (Fig. 8 and 9). Base is now ready for umbrella installation.

## WARRANTY:

Treasure Garden warrants this product (in residential use) to be free from defects in original materials and workmanship for a period of 2 year from the date of purchase. If a defect in the original material or workmanship appears during the warranty period; Treasure Garden will (at its option) repair or replace the product without charge. Limited warranty of 4 years against fabric fading.

Simply contact your original authorized Treasure Garden dealer with a description of the defect. The dealer will verify the defect and work closely with Treasure Garden to obtain the necessary service. In many cases, simple problems can be solved with a replacement part that can be shipped directly to the dealer for professional installation/repair.

In the event that warranted factory service is required, Treasure Garden will assume the responsibility of the return freight charges on warranted product for the first year only.

Returned product that (upon receipt and inspection) is deemed to be "not covered" under our warranty, will be shipped/billed at your expense.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

**NOTE:** Failure caused by unreasonable or abusive use, or failure caused by neglect of reasonable and necessary care are not covered by this warranty.

Additionally, acts of nature (including but not limited to wind, hurricanes, tornadoes, and storms) are not covered by this warranty.
