Maidstone Tall Chest with Gallery

The Maidstone Tall Chest is lifted gently off the floor on tall, slender saber legs. Above this airy base, a wide, framed drawer case hovers above a slight reveal. Five side-hung, center-guided drawers with warm nickel branch pulls provide roomy storage, and a 4.5-inch gallery on top adds two more set-back drawers with velvet lining and a jewelry tray. Solid red oak in your choice of Pier or Sandbank finish.
