Product Description (Paragraph)

Samsung's smart induction range features an Ambient Edge Lighting™ that illuminates your kitchen and lets you see if your food is still cooking from a distance. The Anti-Scratch Matte Glass Cooktop* 54% more scratch resistant** and more durable will keep your range looking like new. The contemporary Bespoke design with a recessed handle will seamlessly blend into your kitchen for an elegant and minimalist look.

** Based on scratch testing by Intertek simulating regular use.
** As compared to conventional glass. Based on scratch testing by Intertek.*

Product Description (Bullets)

1. Ambient Edge Lighting™: Know when your cooktop is on or if your food is still cooking from a distance. When the range is not in use, enhance the ambiance of your kitchen with customized mood lighting.
 2. Anti-Scratch Matte Glass Cooktop*: 54% more scratch resistant** and more durable keeping your range looking like new.
 3. Bespoke design: Give your kitchen a premium look with a contemporary Bespoke design and a recessed handle that suits your style and elevates your home.
- * Based on scratch testing by Intertek simulating regular use.
** As compared to conventional glass. Based on scratch testing by Intertek.*
