PRODUCT MESSAGING			
Product Title	Long Body Copy	Short Body Copy	Available Colors
36" Counter Depth French Door with a Reveal™ Door	Dacor's 36" Counter Depth French Door with a Reveal™ door is a luxury, freestanding refrigerator that provides ultimate flexibility and convenience while seamlessly fitting into your kitchen. Designed at standard height with a Reveal™ door, this refrigerator gives you more control over your space and fridge contents.	Dacor's 36" Counter Depth French Door with a Reveal™ door provides the ultimate flexibility and convenience with standard height to seamlessly fitting into your kitchen.	Silver Stainless DRF36C500SR/DA

PRIMARY FEATURES			
Feature Name	Long Body Copy	Short Body Copy	Associated Image
Design	Dacor's counter-depth refrigerator with a Reveal™ door is an elegant freestanding refrigerator with a custom built-in look. This refrigerator blends seamlessly into your kitchen, featuring a sleek exterior with a signature flat door design and flush handles.	Premium performance with an elegant built-in look that blends seamlessly into your kitchen.	
Reveal™ Door	With a Reveal™ door, this spacious refrigerator is designed for convenience while offering unmatched organization and flexibility. Doors reveal flexible storage options that let you organize and access all your favorite foods with ease.	Premium showcase door with flexible storage space to access all the foods you love.	
Beverage Center™	The Beverage Center provides refreshing, purely filtered water. Enjoy cool water from a convenient internal dispenser or a built-in pitcher that refills automatically and can be infused with flavor.	Refreshingly cool, purely filtered water easily accessed from an internal dispenser or a built-in AutoFill Water Pitcher.	

PRIMARY FEATURES (CONTINUED)			
Feature Name	Long Body Copy	Short Body Copy	Associated Image
Dual Ice Maker	Enjoy your favorite beverages chilled to perfection. The Dual Ice Maker creates both cubed and Ice Bites™, which chills drinks up to 18% faster than standard ice cubes. With two ice makers, you can produce 5.7 lbs of ice a day and store up to 7.7 lbs in the dual containers ice bins. Maximize your ice capacity and choose from either cubed ice or longer-lasting cocktail ice for entertaining.	Select from cubed ice or new Ice Bites™ that chill your drink faster.	
Smart Connectivity	Whether you're near the kitchen or away from home, iQ Control with SmartThings® integration makes controlling your refrigerator effortless. Monitor everything from temperature and water filter status to care diagnostics. See inside your refrigerator from your smartphone and check in from anywhere with the Wi-Fi enabled camera through iQ Connect. Never be caught without ice for a party by enabling ice-making functions, all from the convenience of your mobile device.	Whether you're near the kitchen or away from home, iQ Control with SmartThings® integration makes controlling your refrigerator effortless.
