The Samsung Gas Cooktop offers powerful and precise cooking.

Long Description

The Samsung Gas Cooktop offers powerful and precise cooking. A dual power burner has a wide range of power from a high heat to a low simmer. Enjoy the comfort of Analog-Knobs combined with the advanced digital Wi-Fi and Bluetooth technology. Savor authentic flavor and texture in your favorite breakfast foods prepared on the Cast Iron Griddle. Simplify your cooking experience by syncing the cooktop to the Hood, so the vents turn on automatically.

Priority Features

	<u>Feature Copy</u>	<u>Short Ad Copy</u>
Feature 1:	22K True Dual Power Burner - Two independent heating burners offer intense heat and precise control to quickly boil water or reduce to a low simmer.	Powerful and Precise
Feature 2:	Analog Controls with Digital Technology - The ultimate combination of analog comfort and digital technology delivers exceptional cooking performance.	Analog-Knobs with Digital Wi-Fi and Bluetooth Technology
Feature 3:	Cast Iron Griddle - Cook breakfast, grill sandwiches, or sauté vegetables on the removable griddle.	Cook Breakfast and Grill Sandwiches

Additional Features

- Bluetooth connected to the Hood – Cooktop can sync to the Hood so that you can automatically start the fans and lights when the burners turn on.
- Blue LED Knobs visually let you know if the cooktop is on, even from a distance.
- Remotely monitor the cooktop from your smartphone with Wi-Fi connectivity.
- Wok Grate accommodates a round bolom wok for your favorite stirfry.
- Cook large meals faster with 59K BTUs across 5 powerful burners, simultaneously.
- Dishwasher safe grates and knobs make cleaning up a cinch.
- Liquid Propane Conversion Kit included.
- Continuous Cast Iron Grates have a sleek smooth design.
- Front Linear Controls are easy to reach.
- Sealed Burners prevent food from dropping into the burners, for easy cleanup.
- Can be installed over a single oven.
- Available in Stainless and BlackStainless.
