

CALI® hardwoods barrel

Beach Town Blanc

Ride the New Wave of Wood

Blending the current with classic, CALI's Barrel collection delivers timeless shades of hardwood, presented with signature CALI style. Engineered planks feature a 2mm thick beauty layer of European white oak stabilized by a sustainable acacia wood core. Eleven color options offer an array of light, natural tones and clean, smooth grains, for a fresh palette designed to make spaces feel modern, open, and airy. Made to be easy to live on, Barrel planks are protected by a robust, scratch-resistant aluminum oxide finish, keeping them simple to clean and pet-friendly.

A Vineyard Palette

Barrel colors range from fresh, sandy tones to understated taupes – all of which are designed to enhance any interior design and fill rooms with stunning, natural texture.

Made Responsibly

Timber is Lacey Act certified to preserve forest health, and planks are low-VOC, FloorScore certified, and CARB/TSCA compliant to maintain optimum home air quality and wellness.

Green to the Core™

Planks feature a top beauty layer of European white oak over a foundation of sustainable acacia plywood. Using this fast-growing timber for the core allows planks to be more dimensionally stable and get 4x as much flooring from each oak tree.

Construction	Engineered Hardwood - Green to the Core
Species	European White Oak
Plank Length	Random Length up to 74-13/16"
Plank Width	7-1/2"
Plank Height	1/2"
Sqft./Box	23.31
Texture	Medium Wire Brush
Gloss	Low
Veneer Thickness	2mm, Plain Sliced
Bevel	Micro
