

# GE Profile™ 5.3 cu. ft. Capacity Washer with Smarter Wash Technology and FlexDispense™

Profile™ Series

Model#: PTW905BPTDG

- Voice Assistant w/Built-In Alexa - The washer has a built-in voice assistant to automatically set your washer and dryer for care of specific fabrics or adjust washer settings for optimal stain removal You can even check the weather or dance to your favorite music while folding your clothes
- SmartDispense™ Technology - An intelligent dispenser holds up to 50 ounces of detergent or softener, adapts dosing based on the detergent used and automatically dispenses the right amount to save you time and the mess, making laundry effortless
- Smart Wash & Smart Rinse - Sensors measure soil and detergent levels throughout the cycle and during the rinse to optimize wash and rinse times, deliver better fabric care and ensure a thorough clean
- Enhanced Smarter Wash Technology - Adaptive Smarter Wash Technology enables greater optimization of cleaning power and fabric care within each cycle
- Smart FlexDispense® - Dedicated dispensers for detergent, detergent packs like Tide PODS™, fabric softener and other common additives speed up activation and optimize cleaning performance
- Power Pre-Wash - Clean even the most heavily soiled items with a single cycle that adds detergent, agitates, soaks, drains the dirty water and repeats the wash process with clean water and fresh detergent
- Microban® Antimicrobial Technology - Antimicrobial protection
