Galaxy Ring Galaxy AI ✨ is here

AI features track data and require compatible phone, Samsung Health app and Samsung account.

The style you want. The insights you need.

Get a deeper understanding of your body with the all-new Galaxy Ring. Merging the convenience of a wellness tracker with the timeless elegance of a sleek band, Galaxy Ring helps go-getters track their busy days in style. It packs the latest tracking innovations into a compact design that fits comfortably on your finger so you can track the valuable wellness insights you need to keep a pulse on your life, from the conference room to the yoga studio to dinner with family and friends. Enhanced by Galaxy AI,¹ Galaxy Ring gives you new ways to feel amazing, like Energy Score¹ — just open your phone to learn how ready you are to take on the day. You'll also get a great night's rest while Galaxy Ring does its thing — this sleep tracker is so comfortable, you'll hardly know it's there. The featherlight silhouette slips seamlessly into your life with a durable design² that allows you to wear it confidently from your morning shower to the gym, while a long-lasting battery³ lets you track insights for up to a week³ in between charges.

Slip on a new, easier way to keep your health on track — Galaxy Ring.

Track your health. Get your score. Own the day.

Learn how ready you are to take on the day. Gain insight to improve how you feel using your personalized Energy Score with Galaxy AI⁴

Give every day a boost

Make the most of every day using personalized Wellness Tips — track with your Galaxy Ring and review each morning with your phone.⁵

Track your heart health right from your finger

Track your heart rate all week and filter out your body's movements for a more precise reading.⁶

Fits like a dream

Get personalized sleep insights with a sleep tracker that's so comfortable, you won't even notice it's there.⁷
