SAXONY

24" single-zone beverage center - SPRBC056D1SS

PRODUCT FEATURES

Coveted Cold Technology

The purest level of refreshment has been perfected in this refrigeration centre. Unique technology consistently preserves your beverages at 34° F, which is the ideal temperature to serve drinks to family and friends.

Shedding Illumination

Set the mood with our Pro-luminosity feature, select the interior lighting, a crisp arctic white or chill azure blue. Choose the intensity, bright and bold at 100% illumination or soft and subtle at 50% illumination.

Luxury obstruction Free

The zero-clearance hinge system on this unit makes for a flush fit integrated built-in that will blend seamlessly with neighbouring cabinets. Surrounding surfaces will also be safe from bumps and nicks due to these ingeniously designed door joints

*Where some see room for an appliance;
We see room for an experience*
