26 cu. ft. Smart Mirror InstaView® Door-in-Door® Counter-Depth MAX™ French Door Refrigerator

Max out your style—Counter-Depth MAX™ refrigerator with Mirror InstaView® delivers Built-In Style, Full-Size Capacity

Outfitted with a Mirror InstaView® just knock twice to see inside the refrigerator and then watch it transform back to an ultra-sleek mirror finish when you're done

Why choose between the built-in style you love and the storage space you need? Only LG could innovate a way to give you both. Max out your space with the capacity you typically get in a standard-depth refrigerator—it's the industry's largest counter-depth*—packaged in a sleek, Mirror InstaView® design that lets you max out your style. With the ability to make 4 types of ice, including LG's exclusive slow-melting Craft Ice™ and quick-chilling mini cubed ice, you can max out your chill. If there was ever a refrigerator designed to be a perfect reflection of you, this is it.
