## Warranty Exclusions

- None of our installers, retailers, distributors or employees has authority to alter the obligations, limitations, disclaimers or exclusions under any of our warranties.
- We exclude and will not be liable for or pay incidental, consequential or special damages under our warranties. By this we mean any loss, expense, or damage other than to the flooring itself that may result from a defect in the flooring. Our limited warranties constitute the only express warranties for the product purchased.
- To the extent permitted by law and for all non-consumer product, all warranties other than our limited warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, are disclaimed. If any implied warranty arises under state law, any and all implied warranties (including any warranty of merchantability and fitness for a particular purpose) are limited in duration to the duration of this written warranty, to the extent allowed by law.
- Some jurisdictions do not allow exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.
- These warranties give you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.
- This limited product warranty does not cover the installation of the product, even though Happy Feet International will pay reasonable labor costs for covered repair or replacement if your floor was professionally installed and the floor product fails for reasons other than installation error. Installation errors are the responsibility of the installer. While installations not performed according to our requirements do not void the product warranty, damage or problems with the flooring related to improper installation are not covered.

## Warranty Owner

This warranty applies only to Professionally Installed or Do-It-Yourself (DIY) installations by a homeowner for his or her own residential end use/light commercial use when applicable. This warranty extends only to the original end user and is not transferable.

**The flooring receipt, all moisture/relative humidity testing documentation (if applicable), and the professional installers receipt will be required to file a claim. If one should arise, please contact the original purchaser to complete a claim form. In the event that you have a flooring concern Happy Feet International will cover the cost of hiring an independent inspector, but if the inspection report comes back deemed that it is an installation error or onsite issue, the inspection fee will be charged back to the dealer/distributor/homeowner.**

Please evaluate each job separately. Below is a partial list intended to be used as a guide for selecting Light Commercial/Commercial applications. Light Commercial implies light foot traffic, while Commercial implies high foot traffic. Glue down applications are required for areas used with "rolling loads" (wheelchairs, hospital beds, carts, racks, tables, etc.). If there is a question as to the type of use that is considered "Light Commercial," or "Commercial," please contact your Happy Feet International representative prior to purchase and installation.
