## Product Overview

### Tag reco

Your everyday, with Galaxy AI

### Alt reco

Your everyday, elevated by Galaxy AI

### Short copy

Get more out of your experiences with a phone that brings the power of Galaxy AI<sup>1</sup> to your everyday.

### Long copy

Get more out of your experiences with a phone that brings the power of Galaxy AI<sup>1</sup> to your everyday.

Galaxy S24 FE is built to take your daily tasks and hobbies up a notch with Galaxy AI<sup>1</sup> and more. Whether you're making masterpieces out of memories with Photo Assist,<sup>2</sup> making moments last with Instant Slow-Mo,<sup>3</sup> enjoying your favorite entertainment on a dynamic display, bettering your wellness by connecting to Watch FE<sup>4</sup> or seamlessly connecting in another language,<sup>5</sup> this device is equipped with all the essentials plus some exciting extras for the enhanced S Series experience.

### Legal disclaimer

<sup>1</sup>Galaxy AI features by Samsung will be provided for free until the end of 2025 on supported Samsung Galaxy devices.

<sup>2</sup>Requires Samsung account login and internet connection.

<sup>3</sup>Instant Slow-Mo available only with videos saved in the Samsung Gallery app, recorded at up to 4K@60fps (not available with HDR10+ videos).

<sup>4</sup>Products sold separately.

<sup>5</sup>Live Translate: Requires compatible Galaxy device. Samsung account login and language preset (English and Spanish pre-installed; other languages require free download). Results may vary.

Sketch to Image with Galaxy AI	From doodle to dazzling	<p>Go from "draw" to "awe"</p> <p>From sketch to spectacular</p> <p>Turn sketches into art</p>	Turn your simple sketches into works of art instantly using Sketch to Image <sup>1</sup> with Galaxy AI. <sup>2</sup>	Bring your imagination to life using Sketch to Image <sup>1</sup> with Galaxy AI. <sup>2</sup> Simply doodle and then select from five styles: watercolor, illustration, pencil sketch, pop art or 3D cartoon. Tap generate, and voilà! Whether you're illustrating a conceptual design or creating a digital sticker for fun, your sketch becomes a fully realized image, just like that. You can even use Sketch to Image to add a touch of personality to your favorite photos.	<p><sup>1</sup>Sketch to Image feature requires a network connection and Samsung account login. Editing with Sketch to Image may result in a resized photo up to 12MP. A visible watermark is overlaid on the image output upon saving in order to indicate that the image is generated by AI. The accuracy and reliability of the generated output is not guaranteed.</p> <p><sup>2</sup>Galaxy AI features by Samsung will be provided for free until the end of 2025 on supported Samsung Galaxy devices.</p>
Sketch to Image with Galaxy AI	De dibujar a deslumbrar	<p>Convierte tus bocetos en obras de arte</p>	Transforma tus dibujos simples en obras de arte fácilmente usando Sketch to Image <sup>1</sup> con Galaxy AI. <sup>2</sup>	Dale vida a tu imaginación con Sketch to Image <sup>1</sup> con Galaxy AI. <sup>2</sup> Dibuja algo y escoge entre cinco estilos: acuarela, ilustración, dibujo a lápiz, pop art o caricatura en 3D. Presiona en generar, ¡y listo! Ya sea que estés ilustrando un diseño conceptual o creando un <i>sticker</i> divertido, tu boceto se vuelve una imagen completamente terminada, así de fácil. Hasta puedes usar Sketch to Image para darle un toque especial a tus fotos favoritas.	<p><sup>1</sup>La función Sketch to Image requiere una conexión de red e iniciar sesión en una cuenta Samsung. Editar con Sketch to Image puede resultar en una foto redimensionada en hasta 12MP. Una marca de agua visible se superpone a la imagen resultante al guardarla para indicar que la imagen ha sido generada por inteligencia artificial. No se garantiza la precisión ni la fiabilidad del resultado generado.</p> <p><sup>2</sup>Las funciones Galaxy AI de Samsung estarán disponibles gratis hasta finales de 2025 en los dispositivos Samsung Galaxy compatibles.</p>
