### PRODUCT DESCRIPTION

This chaise embodies timeless mid-century elegance with its linear design, sleek track arms and tapered legs. Genuine leather in the seating area adds a luxurious touch to the overall look. Experience endless style opportunities for today's living spaces.

- Corner-blocked frame
- Attached back and loose seat cushions
- High-resiliency foam cushion wrapped in thick poly fiber
- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Tapered accent legs with faux wood finish

- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
