PRODUCT DESCRIPTION

This coffee table is a stylish outdoor piece with staying power. Built for longevity with Weatherwood, a synthetic material with the appearance of wood, it indulges you in contemporary design without sacrificing durability. Stunning form and can't-miss function —with this table, endless days in the shade await.

- Weatherwood, a cutting-edge engineered resin polymer, is designed to withstand the elements and offer a long-lasting wood look and color
- Solid material is colored throughout, making it easy to remove scratches or scuff marks; heavyweight material is ideal for high-wind areas
- Durable, low-maintenance material is colorfast, UV-resistant, easy to clean with mild soap and water and fully recyclable
- Aluminum substructure for extra tabletop support
- Stainless steel hardware
- Designed to withstand the harsh elements of the outdoors
- Assembly required
